Purpose of Application

Chef2go is a dedicated online platform designed using Reactjs exclusively for students, serving as a convenient all-in-one solution for culinary needs. Beyond just cooking, the platform provides students access to premium subscription videos.

Tech Stack

- React
- TypeScript
- MongoDB
- Node.Js
- Express
- Tailwind
- Material UI
- GSAP
- NodeMailer
- EmailJS
- Stripe
- Lottie
- Firebase
- i18next
- React player

SCREENSHOTS

A screenshot of a web browser window titled "Home" at "localhost:3000". The page features a header with a chef icon and the text "CHEF2GO". Below the header is a stylized illustration of a kitchen scene: two chefs in blue uniforms are cooking behind a counter; one chef is wearing an orange turban. Two people with cameras on tripods are filming the scene. The background includes a checkered wall and overhead lights. To the right of the illustration, large, bold text reads "Desi. Expeditious. Delicious." A small circular compass rose icon is positioned between the illustration and the text.

Desi.
Expeditious.
Delicious.

HOME PAGE

SIDE NAV BAR

The image shows a screenshot of a web browser window displaying the Chef2Go website at localhost:3000. The browser interface includes a header with a logo, a title bar, and a toolbar. A sidebar navigation menu is open on the right side of the page.

ABOUT US PAGE

Welcome to our website! We are passionate about providing delicious and high-quality meals to students. Our platform, Chef2go, is designed to be a one-stop solution for your culinary needs. Whether you're looking for quick and convenient food delivery or seeking inspiration through chef-created recipes, we've got you covered.

SEARCH BY CHEF PAGE

The screenshot shows a web browser window titled "Chef Search" with the URL "localhost:3000/search/chefs". The page features a large banner with the text "Explore our Top Chef pages" and "Discover talented chefs and their signature recipes". Below the banner is a search bar with the placeholder "Enter Chefs Name" and a green "SEARCH" button. The main content area displays three chef profiles in a grid:

- Chef Zaz**: A male chef with a beard and arms crossed in a professional kitchen. The "VIEW CHEF" button is blue.
- Chef Alex Johnson**: A female chef in a white uniform standing behind a counter with baked goods. The "VIEW CHEF" button is blue.
- Chef John Doe**: A male chef with tattoos on his arms, standing in a modern kitchen. The "VIEW CHEF" button is blue.

Below the main grid are two smaller, partially visible images of chefs in a kitchen setting.

SEARCH BY RECIPE PAGE

Screenshot of a web browser displaying a recipe search page.

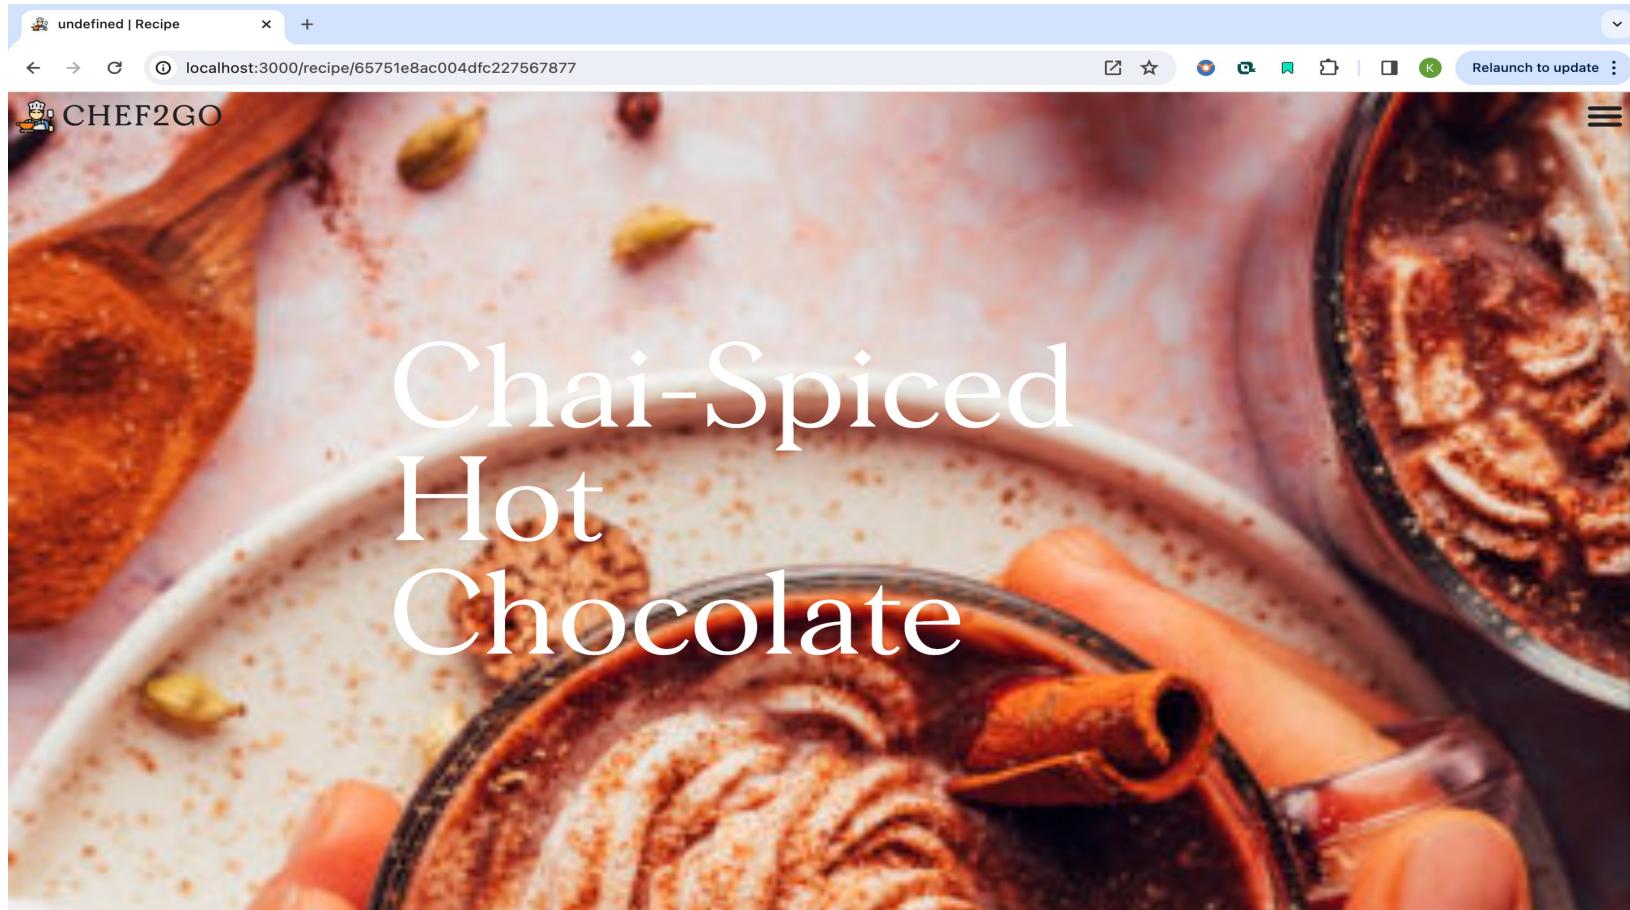

The browser title bar shows "Search Recipe" and the URL "localhost:3000/search/recipes". The page header features the "CHEF2GO" logo, a search bar with placeholder "Enter Recipe Name", and a green "SEARCH" button. The main heading "Explore Our Recipes" is displayed prominently. To the right of the heading are two bottles of Big Tree Organic products: "SOY FREE TERIYAKI" and "ORGANIC COCO AMINOS".

The page displays three recipe cards:

- Chai-Spiced Hot Chocolate** by Chef Zaz. The image shows a hand holding a mug filled with a rich, frothy hot chocolate. A small bowl of chai spices is visible in the background.
- Tangy BBQ Sweet Potato Fries** by Chef Zaz. The image shows a tray of golden-brown, seasoned sweet potato fries garnished with green onions.
- Passionfruit Vanilla Pancakes** by Chef Zaz. The image shows a stack of pancakes topped with fresh fruit like peaches, blueberries, and passionfruit slices.

Each recipe card includes a "VIEW RECIPE" button at the bottom.

Recipes

Recipe	Name	Summary
	Chai-Spiced Hot Chocolate	A slow-cooked braise transformed into a roast-style dinner for a hearty winter feast. Port wine, red wine and venison stock ensure this dish is all things tender, succulent and flavourful.
